DRAFT-DELIBERATIVE* ATTORNEY-CLIENT PRIVILEGE

As follow-up to our discussion on November 6, attached please find the “messaging for meeting with Washington Department of Ecology” revised to reflect discussion we had on that day. We understand these would be EPA messaging points or talking points, but not for distribution to Ecology.

Below is more context for the messaging paper attached:

- Item IV A ends with an optional sentence to add some detail if we wish. We reflect

Ex. 5 - Deliberative
- Item IV B ends with an optional sentence to emphasize the option of adjusting what is said about implementation over the possibility of re-doing the allocation itself.
- For item V: Interested in the Region’s thoughts on when and how best to broach these topics with the state.
- Ex. 5 - Deliberative**
- Also, let’s discuss (e.g., Nov. 20) whether the next steps are for our own use or part of the initial messaging for the state.

If you would like to discuss any of the above or the attached, feel free to contact me.

Best,
Sarah
